Lines from Lynes  
“A Partnership  
in Ministry”

*“I thank God every time I remember you, constantly praying with joy in every one of my prayers for all of you, because of your partnership in ministry from the first day until now.” Letter to the Philippians 1:3 (Moffat translation)*

So writes Paul to his friends in Christ in Philippi. He and Barnabas had established this community of disciples of Christ during one of his missionary journeys and now imprisoned in Rome he writes this warm letter of thanksgiving for their partnership in ministry and their caring concern for him.

Well, as I write this, I have served as your Senior Bridge Minister (now that’s a title, isn’t it!) for only two weeks, but in that short time I have been so warmly welcomed that I could very well have penned those words above from Paul – only they would be about my new partners in ministry at FPC.

In my first Sunday in worship with you, I offered a definition of the Church of Jesus Christ which guides my work as Pastor and Teacher.

*The Church of Jesus Christ might be described as a worship-centered, prayer-based, Spirit-guided, learning-inspired, love-flowing, faith-forming, mission-engaging, peace-promoting, justice-seeking, and grace-incarnating multi-racial, multi-cultural communion of disciples of Christ, accessible to all. Grounded in faith, covenanted in love, sustained by grace, and nurtured by hope, it seeks to be a faithful servant of God’s mission in the world.*

Not all of you were able to be present for worship that Sunday, so I thought it would be helpful to include this in my first “Lines from Lynes” in the Chimes. In the months ahead – and we don’t know how many that will be -- I will strive to be a faithful and joyful servant for that mission of our beloved Church of Jesus Christ and a faithful and joyful Pastor and Teacher for FPC.

*Agape, Jack*

***This mission, visioning and welcoming statement for our church*** has been officially adopted. The process of developing this statement began last year with significant congregational input from a Saturday morning meeting held in Nazareth hall that was hosted by the transition team. The transition team then worked over a period of months and developed this statement based on that congregational input. Both our Board of Deacons and the Church Council have endorsed its adoption:

*First Parish Church, Congregational, United Church of Christ of Dover, New Hampshire is a faith community, led by the Holy Spirit and gathered to worship, learn and grow in Christ. We are committed to:*

- *servicing God by serving others in our community, nation and world*
- *providing worship, music and educational experiences that are meaningful to all generations and ages*
- *seeking unity as we embrace tradition and innovation*
- *celebrating our diversities as we support one another in both challenging and bountiful times*
- *bringing our faith to bear on our daily lives*

*We know that God is still speaking and we joyfully invite you to join us as we listen for God’s message of peace, justice and reconciliation.*

# Deacon's Bench

The Deacons send you Spring greetings. Spring is the season of new beginnings. A time when we find hope after a long winter. A time of rebirth and renewal. No matter how dark the winter has been, the circle of life moves forward in its relentless pursuit of new growth. We can begin again even if things have not gone as we planned.

We do not need to stay where we are. For Spring to come we need the miracle of God.

In *Charles Ringma's* book, "Dare To Journey With *Henri Nouwen*" he says "that we alone cannot achieve our own dreams.....we need the gift of patience. We need the grace of perseverance. We need to work hard to make things happen, but more urgently, we need God's guidance, sustenance, and help."

As we move forward as a community in the days and weeks ahead, let us do so with new energy, new vision, and a new sense of calling, and a letting go of the old in order to embrace the new.

When we look towards new life, it helps us to let go of the pain or the difficulties that may block our path. With joyful hearts we will move into grace. We will listen for the call of God to inspire us and be with us over the long haul of our journey. God will not let us down. The door is always open. What we must do is walk through and take a step into His New Day Dawning!

Take good care and find much peace,

From all the Deacons

# Facts About Stephen Ministry at FPC

Deeper Compassion for Those Who Hurt  
and Relief for Pastors

When Dr. Line arrived at Sierra Presbyterian Church in Nevada City, California, this past spring as associate pastor for adult spiritual development and care, she welcomed the opportunity to attend the Stephen Series Leader's Training Course in Ontario. Today she serves as Referrals Coordinator.

"As a pastor I know that there is no way I can give people the kind of care they need and deserve with a congregation of more than 600 members. Stephen Ministry is a vital part of the care our congregation provides.

"Because of my experience as a care receiver, I have more compassion and understanding for the fear a person can experience with a diagnosis of cancer or another debilitating disease," Dr. Line said. "My ministry is more effective because I've been through these experiences and made it through to the other side. The church must have a way to extend God's loving compassion and grace without exhausting the pastoral staff. Stephen Ministry does a great job of equipping gifted laypeople of the church to extend that care."

*Please contact Beth Martindale 742-2419, Carol Davenport 742-9817, or Mary Norris 742-6587 if you would like more information about First Parish Church's Stephen Ministry program.*

# Sunday Morning Adult Education

**9:05-9:40am**

Our Sunday Morning Adult Education group meets each Sunday in May in the classroom just to the left at the rear of Nazareth Hall. The group decided to discuss the topic "The Dynamic Movement from Forgiveness to Reconciliation." Dimensions of this movement will be topics for each of our sessions in May and the first Sunday in June -- forgiveness and forgetting; forgiveness and revenge/retribution; forgiveness and repentance; forgiveness and accountability; forgiveness as the first, but not the only step toward reconciliation; forgiveness as liberation; forgiveness and the emotional experiences that often accompany the hurt, pain, and suffering, and the attempt to move forward from it, both for the one wronged/harmed and the one causing the harm/wrong. Come join us!

## Music Notes

*Kimberley Oppelt*, Lyric Soprano, will present a concert in our sanctuary on Saturday, May 14 at 7:00 pm. Kimberley has sung in the past at both our morning and evening services and is preparing to make a recording for submission to opera companies. Her concert at First Parish will be a combination of opera arias, contemporary music and songs of Broadway composer Kurt Weill. Admission to the concert will be by donation at the door. Kimberley is a gifted vocal artist and this will be an opportunity to experience a music career in the making.

## ***Historical Committee***

### ***News!***

*Save the Date:*

May 21, 2011 ~ Saturday 9 am – 12 noon  
*“378 Years of First Parish Places and Faces”*

The FPC Historical Committee is planning a bus tour of some of the sites our Church holds near and dear: from our first location on Spur Road, to the Historical Meeting House on Dover Point Road, to our current location and the many markers in Pine Hill Cemetery. Narration and handouts will help bring our past to life for those who want to remember and those who want to discover and learn. A sign up sheet will be posted at church in mid April. We invite our new members especially as this is a great way to learn the history of our beloved Church. Space will be limited so make sure you watch for updates in the weekly bulletins. The tour is estimated to take about 2 hours and will be followed by a light luncheon in Fellowship Hall. This will be a fun event and we look forward to seeing you there.
